Antitrust Policy Notice

Linux Foundation endorses open market participation by industry competitors, within the purview of the Linux Foundation's conduct of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that activities at these meetings, opportunities, or otherwise not be construed as anticompetitive. Activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at Linux Foundation meetings are in accordance with the Linux Foundation's antitrust policy issued by the Linux Foundation Antitrust Policy available at <https://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please email your comments to antitrust@linuxfoundation.org or contact Andrew J. Jodda, one of the firm of Steiner Updegrave LLP, which provides legal services to the Linux Foundation.
